

JIRA SOFTWARE

Date	15 November 2022
Team ID	PNT2022TMID13412
Project Name	Gas Leakage Monitoring and Alerting System

The screenshot shows the Jira Software interface for the "Gas Leakage monitoring and alerting system". The left sidebar includes links for "Roadmap", "Backlog", "Board", and "Reports". The main area displays a roadmap for November, December, and January '23. A vertical orange line marks the end of November. Several sprints are listed on the left, each with a corresponding horizontal bar indicating its duration and progress. The "Months" button at the bottom is highlighted.

The screenshot shows the Jira Software interface for the 'Gas Leakage monitoring and alerting system' project. The left sidebar includes links for Roadmap, Backlog (selected), Board, Reports, Code, Project pages, Add shortcut, and Project settings. The main area displays the 'Backlog' for 'GLMAS Sprint 1' (Nov 3–19) and 'GLMAS Sprint 2' (Nov 5–8). Each sprint section lists its issues with status indicators (e.g., 'DONE', 'MS', 'K', 'C') and a 'Quickstart' button.
